WHAT TO EXPECT

Things Not Included in the Itinerary

Anything not listed in the itinerary is at your own cost — for example, the Taipei 101 Observation Deck (600 NTD) — and its drop-off point isn't always right at the entrance.

Communication & Payment

Download WeChat and a translation app before you go, and set up cashless payment — some places in Taiwan prefer it.

Rainy Season

May to September brings rain — pack clothes and shoes suited for wet weather.

Large Crowds

Expect big crowds of people and long queues, especially during festivals and holidays.

Moderate Walking

Some walking is required at the Alishan and Yehliu areas, and drop-off or pickup points may need a short walk too — wear comfortable shoes.
