WHAT TO EXPECT

Long travel journey

The drive from Hanoi to Sapa takes around 6-7 hours, with two rest stops along the way.

Prepare for the weather

Expect rain from May to October and sun from November to April. Sapa runs cold, so pack a jacket.

Limited halal food options

Halal restaurants repeat across the trip, though the menu changes with each visit.

Hotel room configuration

Double rooms come with one large bed, twin rooms with two singles, and triple rooms use an extra bed or a connecting room.

Plenty of walking and stairs

Especially at Fansipan and Cat Cat Village — wear comfortable, sturdy shoes.
