WHAT TO EXPECT

Bring a Medical-Grade Mask

Kawah Putih's high sulphur content can be tough on your breathing — a medical-grade mask helps you enjoy the crater in comfort.

Prepare a Jacket

Bandung's weather ranges from 15°C to 29°C year-round, so pack a light jacket for the cooler moments.

VVIP Ticket at Rengganis

The VVIP lane skips the long weekend queues; on weekdays you'll go through the VIP lane instead.

Hotel Room Sharing

Rooms are double or twin sharing only — triple rooms depend on the hotel's availability.

Small Group Size

Each transport group runs with just 4 to 10 travellers.

Optional Activities

Anything not listed in the itinerary — like extra activities at The Lodge Maribaya or Floating Market Lembang — is paid on the spot.

Whoosh Train Waiting Time

Expect up to an hour's wait for the Whoosh Train at the station.

Bandung - Jakarta Land Transfer

The drive by private transport averages 3 hours, though holiday traffic can stretch it to 6.

Luggage Handling

ARBA Travel handles your luggage during the Whoosh Train ride — no need to carry it yourself.
