WHAT TO EXPECT

Itinerary can shift

Several days involve road trips, so the plan may adjust depending on arrival time, weather, or road conditions on the day.

2-way domestic flight

You'll fly domestic from Lahore to Skardu and back — enjoy the views from above on both legs.

Pack light

Expect frequent hotel check-ins and check-outs, so try to travel with no more than one piece of luggage per person.

Fruit picking is seasonal

Fruit picking and cherry blossom viewing only run in season — pick your travel dates accordingly if this is on your list.

Go easy on chai and raw food

Too much milk, chai, or uncooked food can upset your stomach — pace yourself with these.

Extra costs

Anything not listed in the itinerary — extra activities, snacks, and the like — is paid directly by you.

Long road trips

Some transfers run 2-6 hours between stops, but the scenery along the way makes it worthwhile.

Tour leader

A tour leader travels with the group from Malaysia for 10 pax and above; an Airport Conductor assists you at the Malaysian airport.
