WHAT TO EXPECT

Things Not Included in the Itinerary

Anything not listed in the itinerary must be paid for by customers — for example, meal on board on the HND-KUL leg, additional activities, and personal expenses.

Restaurant Seatings

Some family members might need to sit separately due to the restaurant's table arrangement.

Lots of Walking

Expect plenty of walking at some locations, such as shopping streets and city areas.

Hotel Room Size

Hotels in Japan are generally small in size — that's the local standard. Expect less space if you're staying in a triple room.

Hotel Location

The hotel sits outside the city centre. Rooms are generally larger than you'd get inside the city centre, for a more comfortable stay, and the hotel is still near or accessible to public transport.

Breakfast

Halal breakfast options are limited — expect a mix of hotel breakfast and packed breakfast (Malay food). Hotel breakfast is a continental spread of pastries, eggs, fruit, and milk.

Lunch & Dinner Excluded

Lunch (except Day 2) and dinner aren't included. Your tour guide will bring you to a halal restaurant and assist you there — expect around ¥2,500 (RM65) per meal.

Mount Fuji View

A Mount Fuji view isn't guaranteed — visibility depends heavily on the weather.

Disneyland / DisneySea

Private pickup arrives at 6:30pm. You can opt to stay longer at the park and arrange your own transport back to the hotel (train or taxi).
