WHAT TO EXPECT

Extras Are Paid by Customers
Anything not listed in the itinerary — lunch, additional meals, extra Kembara Pack, additional activities, shopping, and the like — is paid at your own expense.

Use of Multicurrencies
Finland (1 EUR = 4.84 MYR), Sweden (10 SEK = 4.45 MYR), and Norway (10 NOK = 4.21 MYR) — all 3 countries use different currencies.

Usage of Cards
Cards are widely accepted, including credit and debit cards (such as Wise and Merchantrade). Cash works too, but plan ahead since each country uses a different currency.

Long Road Trips
The road trip between Jyväskylä-Rovaniemi and Rovaniemi-Abisko runs long (6-7 hours), with stops along the way to explore attractions, villages, and towns.

Pack Light
This trip includes 4 hotel changes, so pack light and keep to one check-in bag per person. Domestic flight check-in luggage is also limited to 1 piece per person.

Tour Leader
Groups of 15+ pax travel with a Tour Leader from Malaysia; smaller groups are met by a Malaysian Tour Guide at Helsinki Airport. An Airport Conductor also helps with check-in at the Malaysian airport.

Flights May Change by Availability
Flights vary by availability, but we only use premium airlines such as Turkish Airlines, Qatar Airways, Etihad, Emirates, or Malaysia Airlines.

Outdoor Activities
Expect plenty of walking outdoors, especially during National Park trekking, aurora hunting, and the wildlife park visit — wear proper, comfortable shoes.

3-Star Hotel Rooms
Each guest gets their own hotel room with a private bathroom — you won't be sharing an apartment or bathroom with anyone else.

Hotel Breakfast with Seafood Options
Hotels offering halal food are limited, but Muslim-friendly options such as salmon, bread, cereals, yogurt, fruits, and salads are typically available (menus vary by hotel).

Lunch at Restaurant Excluded
Lunch isn't included, but we'll bring you to halal / Muslim-friendly restaurants (EUR 20-30 per meal, at your own expense). You can also add on a Kembara Pack meal for lunch.

Dine-In Dinner
Three dine-in dinners are included, up to a set price limit — order extra items at your own expense. Meals are typically Arabic or Turkish, with options like kebabs, wraps, or burgers. Extra restaurant dinners may cost EUR 30-50.

Kembara Pack Meals
5 Kembara Meal packs (4 dinners and 1 lunch) are included and handed over by the Airport Conductor at the airport. Please reserve 3kg of luggage allowance for the meals.

Freezing Temperatures
The North runs much colder, especially in winter (-5 to -15°C) — pack thick winter attire, thermal innerwear, and layered clothing, especially for aurora hunting at night.

Seasonal Add-Ons
Some add-on activities may not be available on certain dates or in specific seasons, due to scheduled maintenance, wildlife behaviour, or other environmental conditions.
