WHAT TO EXPECT

Things Not Included in the Itinerary
Anything not part of the itinerary is paid by the customer — for example, meal on board for HND-KUL, additional activities, or personal expenses.

Hotel Room Size
Hotels in Japan run small by Malaysian standards, with even less space if you're staying in a triple room.

Hotel Location
Hotels outside the city center are generally larger and offer a better stay, and still sit near or accessible to public transport.

Restaurant Seating
Some restaurants' table arrangements mean larger families may need to split across more than one table.

Breakfast
Halal breakfast options are limited — expect a mix of hotel breakfast and packed breakfast (Malay food). Hotel breakfast is typically continental: pastries, eggs, fruits, and milk.

Lunch Excluded
Lunch is excluded except on Day 2, though your tour guide will bring you to a halal restaurant and help you order. Budget around 2,500 yen (RM65) per meal.

Lots of Walking
Expect plenty of walking at some spots, like shopping streets and city areas.

Mount Fuji View
Mount Fuji's view isn't guaranteed — visibility depends heavily on the weather.

Disneyland / Disneysea
Private pickup arrives at 6:30pm. You can stay longer at the park if you arrange your own way back to the hotel by train or taxi.
